

## About the Author

**Janet Lee Carey** spent her childhood searching for a secret door to the magical world. She discovered a reliable door into a vast, magical country by opening the cover of a book. She is the award-winning author of seven YA novels including **DRAGON'S KEEP** "Constant surprises and startling turns of events—a remarkable achievement." Lloyd Alexander

Janet links each new book with a charitable organization empowering readers to make a difference in the world. Look inside for this year's [Plant a Billion Trees](#) campaign.

When not crafting novels, Janet tours in US and abroad presenting at schools, children's book festivals, and conferences.

## About The New Book

### THE DRAGONS OF NOOR

fall 2010 Egmont USA

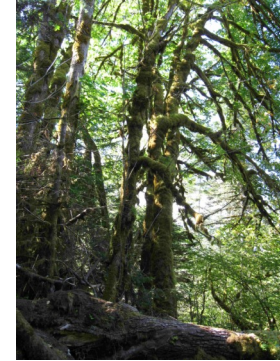

As the forests of Noor fall, a mysterious Wild Wind begins to steal young children. When the tempest blows their little brother across the sea to the Dragonlands, Miles and Hanna set sail with Taunier in search of the missing children.

In this adventurous sequel to **The Beast of Noor** the three friends join with the dragons to save the last ancient forest binding Noor and Oth. If they fail the Wind-stolen children will be forever lost.

“... magical moments that will have your heart sing in one moment then shiver in the next. Highly recommended.”

—Charles de Lint on *The Beast of Noor*.

## The Dragons of Noor for Plant A Billion Trees

The Dragons of Noor fight to save the endangered forests of Noor. Janet Lee Carey will donate 10% of this year's school visit fees to:

### **The Nature Conservancy's [Plant a Billion Trees campaign](http://www.plantabillion.org)**

Plant a Billion Trees goal: to restore one billion native trees to Brazil's highly endangered Atlantic Forest over the next 7 years.

~ Tropical forests are the lungs of the earth, filtering out ten million tons of carbon dioxide from the atmosphere every year. Every day these valuable trees help reduce global warming. ~

Readers can help restore the forest!
